Dear Parent(s)/Guardian(s):

If your child is planning to play sports for Chancellor Academy, please be advised that by law he/she must first have a physical done, which includes medical history and an examination by a physician. The physical covers your child for all sports for one calendar year.

The New Jersey Department of Education recommends that physical exams be conducted with the student's family physician.

ONLY THE STATE-APPROVED HISTORY AND PHYSICAL FORMS ARE ACCEPTED ANY OTHER FORMS USED BY YOUR FAMILY DOCTOR WILL NOT BE ACCEPTED.

To avoid delaying you child's sports participation, please complete and sign the enclosed medical history form, have your child's doctor complete and sign the attached physical form. Both forms must be returned before your child will be allowed to start practice.

To maintain the health and safety of our student athletes in training and cooperation, we ask your cooperation in complying with State of New Jersey requirements for sports physicals.

If you have any questions, please contact Stacey Connolly, R.N. at 973-835-4989.

Sincerely,
Chancellor Academy
